**LITTLE OUSE HEADWATERS PROJECT:
ORAL HISTORY COPYRIGHT AND PERMISSIONS**

5

The purpose of this agreement is to ensure that your contribution to the LOHP Oral History project is in strict accordance with your wishes.

All material held by the Project will be deposited with the Norfolk Record Office. This includes sound recordings, photographs and other documents and will be preserved as a public reference source for use in research, education, lectures, exhibitions, publications and broadcasting. The material will also be held by the LOHP in its own archive.

If you wish to limit public access to your contribution please state your conditions here:

I hereby assign any rights of copyright or reproduction in my contribution to the Little Ouse Headwaters Project.
